

1. How late can I check into the campground?

We asked that you setup no later than 9:45pm as to not disturb other campers. Tent campers must check in no later than 9pm.

2. Where do I check in for the campground?

Check in is at the Visitor's Center within the campground, if you are arriving after hours or the Visitor's Center is closed please go to the lodge front desk as they are open 24 hours a day 7 days a week.

3. What time is check in for the campground?

Check in time is 1pm for the campground.

4. What time is check out for the campground?

Check out time is noon for the campground.

5. What is a "walk in" tent site?

We offer 33 primitive walk in tent sites in the "Hickory Hollow" section of the campground, "walk in" means that you are not able to park your vehicle at your tent site and must "walk in" to the site. It can be anywhere from a few feet to a couple hundred yards our depending on what is available and which site you choose. These sites are a 16×16 camping pad and all tents must remain within this space. There is a picnic table and a fire ring with a grill top at each site. We recommend making a reservation as these sites do sell out, however what site you stay at is chosen at check in based on availability and which spot you choose. There is no way to reserve a specific site or guarantee sites next to each other. There is a comfort station that is heated with restrooms and showers nearby.

6. When is the "slowest" time of year?

The campground stays busy year round, specifically on weekends. However the slowest times of the year for the campground is typically January, February and early March. Weekdays are also usually slower than weekends.

7. How far in advance can I book my reservation?

One year before the departure date of intended stay.

8. What is a “Squirrels Nest Camping Platform”?

The Squirrel’s Nest consists of 16 platforms. Each platform is 15' X 14' and has a roof, a back wall, and is open on 3 sides. The platforms are built up off the ground and are stacked up the side of a ridge in 3 groups of 2 and 2 groups of 5.

Each platform sleeps 4 guests in sleeping bags. Air mattresses are recommended for adult guests. Tents are not allowed on the platforms or down in the hollow below. The “hollow” has grills, picnic tables, a group fire ring, and a small amphitheater.

The comfort station, heated, with restrooms and showers, is about 50 yards away. Squirrel’s Nest is a walk-in area.

9. How many RV sites do you offer?

There are 6 “Double Buddy”, 31 Power and Water and 13 Full Hookup RV sites.

10. What is a “Double Buddy” Site?

These sites are typically wider than our other sites and can accommodate 2 campers with power and water hookups for both. Please note that these sites are all power and water only and the dimensions of each site does differ.
